

A black and white line drawing of a St. Patrick's Day poster. The text "Happy St. Patrick's Day!" is written in a large, bubbly, cursive font. The word "Happy" is on the top line, "St. Patrick's" is on the middle line, and "Day!" is on the bottom line. The text is surrounded by various decorative elements: a rainbow arches over the top of the text, and another rainbow arches under the bottom of the text. There are several stars of different sizes scattered around the text, including two large stars at the top and several smaller ones. There are also several four-leaf clovers scattered around the text. The entire design is enclosed in a rounded rectangular border.

Happy
St. Patrick's
Day!
